Supplemental Sunshine Document for 2022-2025 Collective Bargaining Agreement
re: Kentfield Teachers Association (“KTA”)

Dear Superintendent Rose,

The Kentfield Teachers Association (“the Union”) is providing this supplemental sunshine document for the 2022-2025 Collective Bargaining Agreement negotiations according to the provisions of the Educational Employment Relations Act (EERA) according to California Government Code 3543.2.

We plan to bring forward a proposal regarding Article 22 – Calendar. The Union seeks to negotiate language that permits flexibility in the timing of meetings for the calendar as well as to permit tri-partite meetings between the Kentfield School District, Kentfield Teachers Association, and the Kentfield Education Support Professionals Association.

We ask that this sunshine initial proposal be placed on the next Kentfield School Board meeting and a public hearing be held so that negotiations may start on this article.

Sincerely,

/s/ Warren Beales
